WHAT OUR EDUCATORS SAY ABOUT “GREAT BEGINNINGS”

“I was able to meet the needs of my students. I learned what worked for them and what they needed more of.”

“I was able to work with students more efficiently in small groups or one to one, allowing for students academic growth.”

“Being more intentional about my questioning techniques allowed me to probe my students' thinking at a deeper level.”

“The changes I made to my lesson planning had a noticeable impact on my students. Clearer objectives gave them a stronger sense of direction and purpose during lessons.”
